Mission Valley Church of the Nazarene
4750 Mission Gorge Place, San Diego, CA 92120

- NO MEETING -

MONDAY, APRIL 12, 2010 – 6:00 p.m.

There will be NO Grantville Stakeholders Committee meeting on Monday, April 12th.

NOTE: The next Grantville Stakeholders Committees meeting will be on Monday, **May 10, 2010** at 6:00 p.m. (2nd Monday of the month).

The traffic analysis entails recalibrating the base year model with verified land use type and intensity inputs, modeling future land use type and intensity scenarios, modeling transportation network alternatives, reviewing travel forecasts for soundness and fine tuning the model as deemed appropriate, projecting peak period traffic patterns at key intersections, analyzing street and intersection level of service conditions, identifying deficiencies and recommending improvements. It is anticipated that the aforementioned tasks will be completed within the next seven weeks from the date of this memo, pending no unforeseen complications or circumstances. We are targeting the June GSC meeting to present the outcome of the technical traffic analysis. Progress on the traffic analysis will be reported at the May GSC meeting.

Tentative agenda items for the May 10th meeting include water and sewer capacity for future land use scenarios and hydrology/flooding issues associated with the San Diego River and Alvarado Creek.
